

Please Support the 10th Annual Stow Gobbler 5K

*To benefit Habitat for Humanity and
the Stow Community Chest*

We are Jayne Conry, Ella Lemieux, Eli Lemieux and Nicholas Streeter, sophomores at Nashoba Regional High School. We are organizing this Thanksgiving's 10th Annual Stow Gobbler 5K Road Race with the support of the Stow Recreation Department. The Stow Gobbler is a USA Track and Field sanctioned race which will begin and end at the Bose Corporation in Stow. All proceeds will be split evenly between Habitat for Humanity and the Stow Community Chest. Habitat for Humanity is a global organization that provides low-cost homes for families in need through the action of volunteers. The Stow Community Chest is a central organization in Stow that supports many community programs and health and social service agencies such as the Stow Food Pantry, Stow Bloodmobile, Stow Council on Aging, and Minuteman ARC.

The Stow Gobbler has become increasingly popular each year. We had close to 1,000 runners register for the race last year. Your sponsorship will help us to cover the costs of the race expenses so that we can meet our fundraising goal. Our goal is to raise at least \$18,000, meeting our profits from last year, after deducting costs for equipment, timing, awards, etc.

As a Level 1, Level 2, Level 3, or Level 4 sponsor of the 2016 Stow Gobbler, your company's name will appear at the check-in table on race day and on the race t-shirts given to each runner. In addition, your company will be thanked in the local newspaper after the race is over.

For more information on the race, check out our website (www.stowgobbler.org). If you have any questions, please call Martha at 978-996-6117.

Thank you for your consideration,

Jayne Conry Ella Lemieux Eli Lemieux Nicholas Streeter
